This course is designed for law enforcement officers. Tactical concepts focused on how, why and when to use OC in a variety of situations make this program the most effective, court defensible, and state-of-the-art OC training program of its kind in the country. Instructor Certification entitles you to teach the 4 hour basic OCAT class. **Other brands of OC are accepted under this certification.** You will be sprayed with OC to be an OCAT Instructor.

Upon completion of this course, the student should be able to:

1. Identify the effects of OC on human beings when dispersed in aerosol form.
2. Define a "chemical irritant" and a "chemical inflammatory" and where they are located on a "Use of Force" chart in respect to the use of non-lethal force.
3. Demonstrate a proper stance and position of the body when holding an OC unite in the hand for use or potential use with all techniques taught in the OCAT® Basic Certification Course.
4. Deliver verbal directions or commands to combative subjects while holding an OC unit in the hand or using OC.
5. Demonstrate how to accurately spray OC in a one-second or multiple one-second bursts at physically combative subjects.
6. Identify the ways to decontaminate an area that has been exposed to OC.
7. Identify the first-aid procedures available for administering to subjects that have been exposed to OC.
